Start Something...BIG!

We seek to put children on a path to lifelong success and change the trajectories of their lives in positive ways. To achieve our mission, we commit to measure and be responsible for specific outcomes that focus on:

- EDUCATIONAL ACHIEVEMENT
- AVOIDANCE OF RISKY BEHAVIORS
- HIGHER SELF-ESTEEM, CONFIDENCE AND THE ABILITY TO RELATE TO OTHERS

85% of former Littles surveyed agree their experience has influenced them in having confidence in their abilities.

What will you start?

100% of donations stay right here in the Ennis Community!

Thank you to The Madisonian for contributing to the cost of this ad campaign!
